

Size Chart

Know your Hat Size

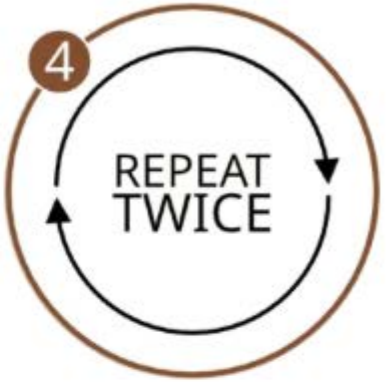

Wrap a soft measuring tape around your head, 3/4 to 1 inch above your brow.

Place the tape 1/4 to 1/2 inch above your ears for accuracy

Wrap the tape snug (not tight) around your head and note the measurement

Measure twice or more until you get the same result consistently

Size Chart

Variations	Hat Sizes	Head Measurements
S	6 3/4" - 6 7/8"	21 1/2"
M	7" - 7 1/8"	22 1/4"
