Hydro
FLECTOR™

HYDROFLECTOR™ WATERPROOF DOUBLE THERMAL SHELL & DOUBLE-COATED LATEX

Style No. 1786P

- Double-layered green heavy thermal acrylic knit shell with soft gray brushed-loop thermal acrylic inner liner locks in warmth, repels the cold, & wicks away moisture with seamless, form-fitting comfort
- Green full-coverage smooth latex coating provides a flexible waterproof barrier to keep the entire hand warm and dry
- Black sandy latex palm coating maintains elasticity in low temperatures, offers abrasion protection, & provides a textured surface to increase grip control in liquids
- Continuous knit wrist provides a snug fit at pulse-point, which helps to retain warmth where heat often escapes the body
- Seamless design provides dexterity & comfort
- Size(s): M, L, XL

- ✓ Irrigation & Pipe
- ✓ Marine & Fishing
- ✓ Oil & Gas
- ✓ Recycling & Waste Management
- ✓ Snow & Ice Removal

GLOVE 101

ACRYLIC LINING

Acrylic lining provides excellent insulation & warmth without extra weight. It is soft, wicks away sweat, & is machine washable.

LATEX COATING

Latex coating material offers exceptional grip & durable protection. It has very high elasticity, withstands low temperatures, & is tear resistant.

CONTINUOUS KNIT WRIST CUFF DESIGN

Provides a snug fit at pulse-point, which helps to retain warmth where heat often escapes the body & helps to prevent dirt & debris from infiltrating the glove.
