

Quality Gloves Since 1975

KINCOPRO™

KINCOPRO™ FOREMAN™ SYNTHETIC PALM WITH PULL-STRAP

Style No. 2035

- Durable gray **MiraX2™** synthetic leather provides flexible, long-lasting palm protection
- Durable, long lasting golden **MiraX2™** synthetic leather reinforcement palm patches, strategically placed in high-contact areas, protect palm, fingers & thumb in critical wear zones for added longevity
- Black molded TPR armor, sewn into **MiraX2™** on the fingers & back of hand, provides dorsal impact protection
- Form fitting, stretchable black polyester-spandex fabric back provides a snug fit
- Stretch-fit neoprene wrist closure with adjustable hook & loop rubber pull-strap provides a custom fit
- Conjoined fourchette finger design utilizes both heavy lycra to offer a breathable, snug fit, which helps to eliminate bunching between fingers; and synthetic leather on the distal ends of each finger to provide additional durability
- Angled wing thumb, which is seamless between the palm & thumb, offers additional flexibility & comfort
- Quick-drying terry cloth on thumb offers convenient option for sweat absorption
- Size(s): M, L, XL, XXL
