

## GRAIN COWHIDE DRIVER

Style No. 98

- Naturally water-repellent tan full grain cowhide provides long-lasting durability from wear & tear, while shielding the hand from punctures & abrasions
- **Easy-On™** cuff with shirred elastic wrist facilitates quick on & off use, while the elastic tightens on the shell material & provides additional preventative measure to block particles from further entering the glove
- Out-seam index finger provides the smooth, comfortable feel of a seamless interior & eliminates rub points that often accompany bunched material typically inside the glove
- Leather welt at high-contact base of middle & ring fingers reinforces seam strength & durability
- Ergonomic keystone thumb, which includes an extra sewn-in piece of material, offers flexible, full-range of motion & helps to prevent hand fatigue
- Turned leather hem
- Size(s): S, M, L, XL, XXL
