

LINED GRAIN COWHIDE DRIVER

Style No. 98RL

- Naturally water-repellant golden full grain cowhide provides long-lasting durability from wear & tear, while shielding the hand from punctures & abrasions
- **Easy-On™** cuff with shirred elastic wrist facilitates quick on & off use
- Out-seam index finger provides the smooth, comfortable feel of a seamless interior & eliminates rub points that often accompany bunched material typically inside the glove
- Leather welt at high-contact base of middle & ring fingers reinforces seam strength & durability
- Ergonomic keystone thumb, which includes an extra sewn-in piece of material, offers flexible, full-range of motion & helps to prevent hand fatigue
- Turned leather hem
- High-performance signature **Heatkeep®** thermal lining, laminated with a soft TR2 inner lining, provides superior heat-retention by trapping heat, repelling the cold, & wicking away moisture
- Size(s): M, L, XL, XXL

DEXTERITY & PLIABILITY

DRIES SOFT & FLEXIBLE

GLOVE 101

COWHIDE

The most commonly used leather in work gloves. It is known for its strength & durability. This hide maintains its integrity & takes the shape of the wearer.

HEATKEEP® THERMAL LINING

Heatkeep® thermal lining is comprised of finely spun polyester fibers that create thousands of air pockets to surround the hand, trap the heat, & repel the cold. Used in conjunction with our TR2 inner lining.
